JOURNEYING THROUGH LENT
WITH JOHN'S GOSPEL

2018

HTCA

The sessions of this Lent course are designed to help us explore some of the symbols of John's gospel: water, bread, light, shepherd, vine.

It is hoped these group studies in John's gospel will grow our confidence in God and our trust in Jesus Christ in order that we may live more faithfully as his disciples and share the good news with those around us.

The groups will be meeting for around 1½ hours where 1¼ hours are taken up with the material provided and then 15 minutes for prayer
